LeetCode: leetcode.com/shaikkabeeruddin

Career Objective

To gain hands-on experience in Data Science and Analytics by applying my expertise in Python, SQL, and machine learning to real-world datasets, while contributing to Zaalima Development's projects and enhancing my skills in data visualization, ETL, and cloud platforms.

Education

- B.Tech in Artificial Intelligence & Data Science, SRKR Engineering College, Bhimavaram (2022-2026), CGPA: 8.77
- Intermediate (MPC), Sri Chaitanya Junior College, Vijayawada (2020-2022), Percentage: 95.1%
- SSC, Holy Faith English Medium High School, Addanki (2020), Percentage: 99.6%

Technical Skills

- Programming: Python, SQL, C, C++, Java
- Data Science & ML: Pandas, NumPy, Scikit-learn, TensorFlow, PyTorch, OpenCV
- Data Engineering: ETL, Databricks (PySpark/SQL), Airflow
- Visualization: Power BI, Tableau, Matplotlib, Seaborn
- Databases: MySQL, PostgreSQL, MongoDB
- Cloud & Tools: Azure, AWS, Docker, Git, CI/CD workflows

Internship Experience

- NIELT Internship (May-Aug 2024): Developed ML model for spacecraft structural health monitoring (90% accuracy). Built movie recommendation system using collaborative filtering in Python.

Projects

- Healthcare Data Pipeline Simulation: Designed ETL workflows to process synthetic healthcare claims data using Python + SQL; produced analytics-ready outputs.
- Unified Data Platform: Integrated ERP and operational data into a centralized platform; improved query performance by 30%.
- Power BI Dashboards: Built interactive dashboards with drill-down features; improved reporting efficiency by 40%.
- Flight Delay Prediction: Developed ML model using historical flight data; reduced error rate by 25%.
- AI-Powered Invoice Processing: Built deep learning pipeline with TensorFlow + OpenCV; improved OCR accuracy by 30%.
- TapathiAI Workflow Automation: Automated repetitive workflows using Selenium and scripting; reduced manual effort by 60%.

Achievements

- Ranked consistently in top 5% of academics.
- Secured 95.1% in Intermediate and 99.6% in SSC.
- Active participant on coding platforms (LeetCode, GitHub).

Soft Skills

Communication, Collaboration, Problem-solving, Analytical thinking, Adaptability, Attention to detail

Languages

English, Telugu, Hindi
